Hanselmann's comics are known for their dark humor, surreal imagery, and unflinching portrayal of the human condition. *Bad Gateway MegaheX* is no exception. The book follows Hanselmann's alter ego, Megg, as she navigates the challenges of everyday life in a world gone mad.

Megg is a young woman struggling with depression, anxiety, and addiction. She lives in a dilapidated apartment with her cat, Mogg, and her on-again, off-again boyfriend, Owl. Megg's world is filled with bizarre characters and strange events. She encounters talking animals, psychic mushrooms, and even the Devil himself.

Hanselmann's art is as unique as his storytelling. His characters are grotesque and deformed, but they are also strangely endearing. Hanselmann's use of color is bold and vibrant, creating a sense of unease and disorientation.

Bad Gateway Megahex is a challenging and rewarding read. It is a book that will stay with you long after you finish it. If you are looking for a comic

that will push your boundaries and make you think, then *Bad Gateway Megahex* is the book for you.

About the Author

Simon Hanselmann was born in Tasmania, Australia in 1981. He began drawing comics in his early teens and self-published his first comic book, *Megahex*, in 2007. Hanselmann's comics have been published in numerous anthologies and magazines, and he has won several awards for his work, including the Ignatz Award for Outstanding Artist in 2014.

Hanselmann is known for his dark humor, surreal imagery, and unflinching portrayal of the human condition. His work has been praised by critics for its originality, honesty, and emotional depth.

Reviews

"Bad Gateway Megahex is a masterpiece of alternative comics. Hanselmann's art is grotesque and beautiful, and his storytelling is both hilarious and heartbreaking." - The Comics Journal

"Bad Gateway Megahex is a must-read for fans of surrealism, horror, and underground comics." - Vice

"Bad Gateway Megahex is a challenging and rewarding read. It is a book that will stay with you long after you finish it." - The Guardian
