The Creative Process: A Symphony of Imagination and Skill

Each LEGO bird in 'Birds From Bricks' is a testament to Thomas Poulsom's meticulous craftsmanship and boundless creativity. Step behind the scenes to uncover the secrets of his process, from concept sketching to brick selection and the final assembly.

- **Concept Sketching:** The journey begins with a pencil and paper as Thomas captures the essence of his avian subjects, translating their beauty and character into LEGO form.
- **Brick Selection:** With an arsenal of LEGO bricks at his disposal, Thomas carefully selects the perfect colors, shapes, and textures to bring his feathered creations to life.
- **Assembly:** Like a master sculptor, Thomas delicately assembles each bird, brick by brick, paying meticulous attention to detail to achieve an uncanny realism.

A Global Avian Adventure: From Backyard Beauties to Exotic Wonders

'Birds From Bricks' transports you on an ornithological odyssey, showcasing a diverse range of bird species from around the globe. From the familiar chirps of backyard songbirds to the vibrant plumage of exotic parrots, each creation captures the unique characteristics and captivating beauty of its avian counterpart.
