The book begins with a brief overview of the history of Black oppression in the United States. The authors then discuss the rise of the Black Power movement in the 1960s. They describe the key leaders and organizations of the movement, as well as the major events that shaped its course.

Black First: The Blackness Continues is not just a history book. It is also a call to action. The authors argue that the Black Power movement is still relevant today. They call on Black people to continue to fight for their liberation, and they offer a number of strategies for how to do so.

Black First: The Blackness Continues is a powerful and moving book. It is a must-read for anyone who wants to understand the history of the Black Power movement, and it is a call to action for all Black people.

## **Reviews**
