In the turbulent 1960s, a young black girl named Mary is uprooted from her home and placed in a foster care system that sends her to live with a white family. As she navigates the challenges of growing up in a world that treats her differently because of her race, Mary's heart yearns for a sense of belonging.

Through vivid and evocative prose, this memoir explores the complexities of race, identity, and belonging in a society that is still grappling with its own prejudices. Mary's story is a testament to the resilience of the human spirit and the power of hope in the face of adversity.

A deeply personal and moving account, *Black Girl Fostered By White Family In The 1960s* is a must-read for anyone interested in social justice, history, and the human experience.
