Jordan was a young woman with everything going for her. She had a loving husband, a beautiful home, and a successful career. But in a single moment, her world was turned upside down when her husband was killed in a car accident.

Jordan was devastated by her loss. She couldn't imagine her life without her husband. She withdrew from her friends and family, and she began to lose interest in the things that used to bring her joy.

One day, Jordan met a man named Ethan. Ethan was kind and compassionate, and he helped Jordan to start to heal. They began dating, and Jordan slowly began to open up to him about her grief.

But Jordan was keeping a secret from Ethan. She was pregnant with her husband's child. She was afraid to tell Ethan, because she didn't want to

lose him. But she knew that she couldn't keep her secret forever.

When Jordan finally told Ethan about her pregnancy, he was angry and hurt. He felt like she had betrayed him. But he also loved her, and he didn't want to lose her.

Ethan and Jordan worked through their problems, and they eventually got married. They had a beautiful baby girl, and they lived happily ever after.

Catching Jordan is a novel of love, loss, and redemption. It is a story about the power of love to heal even the deepest wounds.

If you are looking for a novel that will make you laugh, cry, and think, then Catching Jordan is the book for you.
