Raker is a complex and troubled character. He is a brilliant detective, but he is also haunted by the demons of his past. He is a loner, but he is also fiercely loyal to his friends and colleagues.

The setting of Doggerland is as important as the characters. The remote and unforgiving landscape is a constant reminder of the dangers that lurk in the shadows. The weather is harsh and unpredictable, and the terrain is treacherous. This is a place where people are tested to their limits.

The crimes that Raker investigates are often brutal and disturbing. He deals with murder, rape, and child abuse. But he also deals with the more mundane crimes that plague any society. No matter how small or insignificant the crime, Raker investigates it with the same level of care and attention.

Doggerland is a gripping and atmospheric police procedural. It is a series that will stay with you long after you finish reading it. If you are a fan of crime fiction, then you need to read Doggerland.
