This extraordinary narrative, penned by the acclaimed Canadian writer Vincent Massey, takes you on an immersive voyage along the majestic waterways that have shaped the very fabric of Canada's past, present, and future.

A Historical Tapestry Woven by Rivers

Massey embarks on a literary pilgrimage, tracing the courses of the mighty Fraser, turbulent Columbia, serene North Saskatchewan, and iconic St. Lawrence rivers. As his canoe glides through the pristine waters, he unfolds a rich tapestry of human history and natural wonders.

From the indigenous civilizations that first navigated these rivers to the intrepid fur traders and settlers who followed in their wake, Massey paints a vivid portrait of the intertwined destiny of humans and waterways in Canada.

Nature's Symphony of Wonders

Beyond the historical narrative, "Original Highways" is also a testament to the breathtaking beauty and ecological significance of Canada's river systems. Massey's lyrical prose captures the symphony of sounds and sights that greet him along his journey.

The gentle ripple of water against his canoe, the soaring flight of eagles overhead, and the vibrant palette of colors that paint the riverbanks all come alive in his evocative descriptions.

A Journey of the Soul

As Massey delves deeper into his riverine odyssey, his writing transcends mere travelogue to become a profound meditation on the nature of identity, belonging, and the search for meaning in life.

Through conversations with indigenous elders, local characters, and fellow travelers, he explores the spiritual connection between man and the rivers that have shaped their lives.

A Timeless Legacy for Generations

First published in 1924, "Original Highways" has stood the test of time, captivating readers generation after generation with its timeless appeal.

This seminal work is not only a historical document but also a literary masterpiece that celebrates the indomitable spirit of Canada and the enduring power of its waterways.

Immerse Yourself in the Canadian Tapestry

If you yearn for a truly immersive experience that will deepen your appreciation for the natural and cultural wonders of Canada, "Original Highways: Travelling The Great Rivers Of Canada" is an indispensable read.

Prepare yourself to be captivated by the mesmerizing prose, stunning imagery, and profound insights that await you within the pages of this literary treasure.

Testimonials

"A masterpiece of Canadian literature. Massey's lyrical prose and keen eye for detail bring the rivers of Canada to life in all their grandeur and beauty."

- Margaret Atwood

"A timeless classic that offers a unique perspective on Canada's past, present, and future." - Governor General David Johnston
