Naima Coster's debut novel, "What Mine and Yours," is a captivating exploration of the complexities of family, loss, and the search for belonging. The story revolves around two sisters, Clara and Leah, who are as different as night and day. Clara, the elder, is an introverted writer who has always felt like an outsider. Leah, the younger, is an extroverted actress who has always been the center of attention.

When their beloved grandmother, Maisie, dies, Clara and Leah are forced to confront their past and their relationship with each other. As they navigate the aftermath of Maisie's death, they must learn to understand themselves, each other, and their place in the world.

"What Mine and Yours" is a beautifully written novel that explores the complexities of human relationships. Coster's prose is both lyrical and raw, and she paints a vivid portrait of the characters and their experiences. The novel is a moving and thought-provoking read that will stay with you long after you finish it.
