Wayne Chen's memoir, *From My Jamaican Gully to the World*, is an inspiring story of perseverance and success. Born into poverty in a 贫民窟 in Kingston, Jamaica, Chen overcame incredible odds to become one of the most successful businessmen in the Caribbean.

In his book, Chen shares his incredible journey from humble beginnings to the heights of success. He talks about the challenges he faced growing up

in a 贫民窟, the racism and discrimination he experienced, and the hard work and determination that led him to success.

Chen's story is not just a story of personal success. It is also a story of hope and inspiration for others who are facing challenges in their own lives. He shows that no matter where you come from or what obstacles you face, you can achieve your dreams if you never give up.

From My Jamaican Gully to the World is a must-read for anyone who is interested in overcoming adversity and achieving success. It is a powerful story of hope, perseverance, and the power of the human spirit.
