The book is based on the true story of LouAnne Johnson, a white teacher who taught for 30 years in a mostly black elementary school in Washington, D.C. Johnson was a dedicated and passionate teacher who believed that all children could learn and succeed. She created a classroom environment that was warm, nurturing, and respectful, and she had high expectations for her students.

Good Morning Mrs Nelson tells the story of how Johnson's students overcame challenges and achieved success in school and in life. The book

is full of inspiring stories about students who were struggling in school but who turned their lives around thanks to Johnson's help. The book also provides practical advice for parents and educators on how to create a positive learning environment for all students.

Good Morning Mrs Nelson is a powerful reminder of the importance of good teaching. This book is a must-read for anyone who cares about the education of our children.

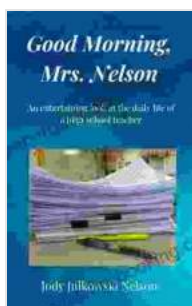

Here are some of the reasons why you should read Good Morning Mrs Nelson:
