How Your Company Can Build a Better World is a must-read for any business leader who wants to make a positive impact on the world. This book provides a practical guide to creating a sustainable and socially responsible business that can create real change.

The book is divided into three parts:

- **The Case for Corporate Social Responsibility**
- **How to Create a Sustainable and Socially Responsible Business**
- **Making a Difference in the World**

In Part One, the author makes the case for why businesses need to be socially responsible. He argues that CSR is not just a nice-to-have, but a must-have for any business that wants to be successful in the long term. CSR can help businesses attract and retain customers, employees, and investors. It can also help businesses reduce costs, improve their reputation, and create a more positive work environment.

In Part Two, the author provides a step-by-step guide to creating a sustainable and socially responsible business. He covers topics such as:

- Creating a CSR strategy
- Measuring and reporting on CSR performance
- Engaging employees in CSR
- Partnering with nonprofits and other organizations

In Part Three, the author discusses how businesses can make a difference in the world. He provides examples of businesses that are making a positive impact on the environment, social justice, and economic development. He also offers advice on how businesses can get involved in these issues.

How Your Company Can Build a Better World is a valuable resource for any business leader who wants to make a positive impact on the world.
