Written by a team of leading scholars, Introducing The Classical World is richly illustrated with images of ancient art, architecture, and artifacts. These illustrations help to bring the ancient world to life, and they provide a valuable resource for students and scholars alike.

A Comprehensive Guide

Introducing The Classical World is divided into six parts, each of which covers a different aspect of the ancient world.

- **The Rise of the Greek City-States:** The book begins with a look at the rise of the Greek city-states in the 8th century BCE. This section covers the development of Greek political and social institutions, as well as the rise of Greek philosophy and art.
- **The Persian Wars:** The Persian Wars were a series of conflicts between the Persian Empire and the Greek city-states. This section covers the causes of the wars, the major battles, and the ultimate victory of the Greeks.
- **The Golden Age of Athens:** The Golden Age of Athens was a period of great cultural and intellectual achievement in ancient Greece. This section covers the rise of Athenian democracy, the development of Greek theater, and the work of Greek philosophers and scientists.
- **The Peloponnesian War:** The Peloponnesian War was a conflict between the Peloponnesian League, led by Sparta, and the Delian League, led by Athens. This section covers the causes of the war, the major battles, and the ultimate victory of Sparta.
- **The Hellenistic Period:** The Hellenistic period was a period of Greek history that followed the death of Alexander the Great in 323 BCE. This section covers the rise of the Hellenistic kingdoms, the development of Hellenistic culture, and the eventual conquest of Greece by the Romans.
- **The Roman Empire:** The Roman Empire was one of the largest and most powerful empires in history. This section covers the rise of the

Roman Republic, the development of Roman law and government, and the eventual fall of the Western Roman Empire.
