This comprehensive collection of magic books is your ultimate guide to the world of magic. Whether you're a complete beginner or an experienced magician looking to expand your repertoire, these books will provide you with everything you need to know.

Learn the Art of Illusion

Magician Magic Dover Magic Books will teach you the secrets of illusion, the art of making the impossible seem real. You'll learn how to make objects vanish, levitate, and change right before your audience's eyes.

With clear, step-by-step instructions and detailed illustrations, these books will guide you through every aspect of illusion, from basic sleight of hand techniques to advanced stage illusions.

Master Sleight of Hand

In addition to illusion, Magician Magic Dover Magic Books will also teach you the art of sleight of hand. Sleight of hand is the subtle manipulation of objects to create the illusion of magic.

You'll learn how to perform card tricks, coin tricks, and other close-up magic that will amaze your audience. With practice, you'll be able to manipulate objects with such precision that they'll think you have supernatural powers.

Become a Master Cardician

Card tricks are a staple of any magician's repertoire, and Magician Magic Dover Magic Books will teach you how to perform them like a pro.

From simple flourishes to advanced sleights, these books will provide you with everything you need to know to become a master cardician. You'll learn how to control cards, force cards, and perform mind-boggling card tricks that will leave your audience speechless.

Expand Your Magic Knowledge

In addition to the core skills of magic, Magician Magic Dover Magic Books also cover a wide range of other topics, including:

- The history of magic
- The psychology of magic

- Stagecraft and presentation
- Business and marketing for magicians

With this comprehensive knowledge, you'll be able to develop your own unique magic style and create performances that will leave your audience spellbound.
