

# Marshall Football: A Story of Survival and Revival

On November 14, 1970, a chartered plane carrying the Marshall University football team and coaching staff crashed in West Virginia, killing all 75 people on board. It was one of the worst air disasters in American history, and it devastated the university and the community of Huntington, West Virginia.

In the aftermath of the crash, there was a great deal of uncertainty about the future of Marshall Football. The university considered dropping the program, but the community rallied together and demanded that the team be rebuilt.

With the help of donations from around the country, Marshall University was able to rebuild its football program. The new team was made up of

players who had been recruited before the crash, as well as walk-ons and transfers.

The new Marshall Football team faced an uphill battle. They were playing in a tough conference, and they had a lot of inexperienced players. But the team persevered, and they began to win games.

In 1972, Marshall Football had its first winning season since the crash. The team continued to improve in the years that followed, and in 1992, they won their first bowl game.

Marshall Football has continued to be successful in the years since the crash. The team has won several conference championships, and they have appeared in several bowl games.

The Marshall Football story is one of survival and revival. It is a story of how a community came together to overcome adversity and triumph over tragedy.
