- Reading Comprehension
- Writing and Language

- Mathematics (No Calculator and Calculator)

By working through these practice questions, you'll gain a deep understanding of the SAT's content and structure, allowing you to approach the actual exam with confidence.

Over 50 Reference Charts to Supplement Your Understanding

In addition to practice questions, our study guide also includes over 50 comprehensive reference charts. These charts provide invaluable summaries and overviews of key concepts, formulas, and strategies for each section of the SAT. By studying these charts, you'll:

- Refresh your memory on essential grammar rules
- Understand mathematical formulas and concepts
- Enhance your critical reading skills

These reference charts serve as a constant resource, helping you quickly clarify any doubts or refresh your knowledge as you prepare for the exam.

Expert Strategies and Techniques for Success

Our study guide goes beyond providing practice questions and reference charts; it also offers expert strategies and techniques to help you maximize your score. These strategies are based on proven methods and insights from experienced educators and test-taking experts. You'll learn:

- Effective time management techniques
- Approaches to tackling different question types

- Strategies for guessing intelligently

With these strategies at your disposal, you'll be equipped to approach the SAT with confidence and achieve your desired score.

Comprehensive and Convenient Preparation

Our study guide is designed to provide you with a comprehensive and convenient preparation experience. It is organized into clear and concise sections, making it easy to navigate and focus on specific areas of study. Additionally, the guide is available in both physical and digital formats, allowing you to study at your own pace and in your preferred environment.

Testimonials from Satisfied Students

"This study guide was an absolute lifesaver! The practice questions were so helpful in identifying my weaknesses and the reference charts made it easy to review concepts. I went into the SAT feeling fully prepared and it showed in my score." - Sarah J.

"The strategies and techniques in this guide were incredibly effective. I learned how to manage my time better and approach each section with confidence. I highly recommend it to anyone looking to improve their SAT score." - John B.
