This guide will help you master every aspect of the Tony Hawk's Pro Skater games, from basic controls to advanced techniques. Whether you're a seasoned pro or a complete novice, you'll find something in this guide to help you improve your skateboarding skills.

Basic Controls

- **Ollie:** Press the A button (Xbox) or X button (PlayStation) to ollie.

- **Kickflip:** Press the A button (Xbox) or X button (PlayStation) while in the air to perform a kickflip.
- **Heelflip:** Press the A button (Xbox) or X button (PlayStation) while in the air while holding the Left Trigger (Xbox) or L2 (PlayStation) to perform a heelflip.
- **Grind:** Press the B button (Xbox) or Circle button (PlayStation) to grind on rails and ledges.
- **Manual:** Press and hold the B button (Xbox) or Circle button (PlayStation) while in the air to perform a manual.
- **Flip:** Press the B button (Xbox) or Circle button (PlayStation) while in the air to flip the board.

Advanced Techniques

Once you've mastered the basic controls, you can start learning some of the more advanced techniques in Tony Hawk's Pro Skater. These techniques can help you score more points, complete more difficult challenges, and impress your friends.

- **Vert:** Vert is the art of skateboarding on ramps and half-pipes. To perform a vert trick, you need to build up enough speed and then ollie onto the ramp. Once you're on the ramp, you can perform a variety of tricks, such as airs, grabs, and spins.
- **Combos:** Combos are sequences of tricks that are performed in a row. The more tricks you can link together, the higher your score will be. To perform a combo, simply start with a basic trick and then add on more tricks as you go.

- **Lip tricks:** Lip tricks are tricks that are performed on the edge of a ramp or half-pipe. Lip tricks are often more difficult than other tricks, but they can also be more rewarding. To perform a lip trick, you need to ollie onto the edge of the ramp and then perform a trick while grinding.
- **Gaps:** Gaps are obstacles that you can jump over. To jump a gap, you need to build up enough speed and then ollie over the gap. Gaps can be found all over the Tony Hawk's Pro Skater levels, and they can be a great way to add some extra challenge to your skateboarding.
