

Unveiling the Literary Masterpiece: The Thirty Third Annual Collection

**Praise for Gardner Dozois and
*The Year's Best Science Fiction: Thirty-Second Annual Collection***

"The best that science-fiction has to offer, chosen by the most respected editor in the field. A copy belongs on the shelf of every SF author." — **George R. R. Martin**

"All stories gathered here, by such quality writers as Alastair Reynolds, Karl Schroeder, and Nancy Kress, keep the light of superiority shining brightly through all seven hundred pages.... A highly valuable addition to all public library collections." — **Booklist (starred review)**

"A terrific snapshot of the SF genre... More evidence that the long-running Year's Best Science Fiction series stands as the definitive go-to volume for science fiction literature." — **SFSignal.com**

"This compilation started off with a bang and just kept on going! This is the perfect book for the occasional science fiction reader. Or for anyone building or supplying a library." — **GeekedRoom.com**

"There are roughly ten 'year's best' volumes currently being published in the speculative fiction market, but they all bow before Gardner Dozois' *The Year's Best Science Fiction*.... To read Gardner's *The Year's Best Science Fiction* every year is to get the pulse of the entire industry. All the new writers, literary movements, book-ops, and happenings in the field—it's all there at your fingertips." — **Black Gate**

FIFTEEN-TIME WINNER OF THE LOCUS AWARD FOR YEAR'S BEST ANTHOLOGY

The thirty-six stories in this collection imaginatively take us far across the universe, into the very core of our beings, to the realm of the gods, and the moment just after now. Included here are the works of masters of the form and of bright new talents, including: Eleanor Armason, Madeline Ashby, John Barnes, Ned Bebout, Char Brackley, Indragami Das, Michael F. Flynn, Nick Harkaway, Swyneth Jones, John Kessel, Rich Larson, Kelly Link, Seanan McGuire, Sean McMullen, Sam J. Miller, Joe Pinck, Kelly Robson, Benjamin Rosenbaum, Kristine Kathryn Bost, Geoff Ryman, James Sallis, Carter Scholz, Martin L. Shoemaker, and Nick Wolven.

Supplementing the stories are the editor's insightful summation of the year's events and a lengthy list of honorable mentions, making this book both a valuable resource and the single best place in the universe to find stories that stir the imagination and the heart.

GARDNER DOZOIS has been working in the science fiction field for more than thirty years. For twenty years he was the editor of *Asimov's Science Fiction*, during which time he received the Hugo Award for Best Editor fifteen times, Nebula Awards twice, and a World Fantasy Award; he has also been inducted into the Science Fiction Hall of Fame and has received the Skylark Award for Lifetime Achievement.
