A Gripping True Story of Love, Loss, and Redemption

We Are Her Family is a gripping true story of love, loss, and redemption. It tells the story of a woman named Barbara who falls in love with and marries a man named Mark, who is serving a life sentence in prison. Barbara and Mark's story is a testament to the power of love and the resilience of the human spirit. It is a story that will stay with you long after you finish reading it.

Barbara and Mark first met in 2001, when Barbara was working as a volunteer at a prison. Mark was serving a life sentence for a crime he committed when he was 18 years old. Despite their circumstances, Barbara and Mark quickly fell in love. They were married in 2003, and they have been together ever since.

Barbara and Mark's relationship has not been without its challenges. Mark is serving a life sentence, and he will never be able to leave prison. Barbara has had to deal with the stigma of being married to a prisoner. But through it all, their love for each other has never wavered.

We Are Her Family is a story about the power of love. It is a story about the resilience of the human spirit. It is a story about the importance of family.

And it is a story about the hope that can be found even in the darkest of places.
